Formula One: it's not our idea of fun to watch tax-dodging millionaires play at glorified go-karting. So they can go fast, but I've not seen them try to reverse park into the last spot outside Tesco Metro after four pints of scrumpy. There's no safety car for that! For some reason, Chloe is a motor racing fan, so here at Escort Towers, and only for her, we've set up our own grand plea: "Please will you give us a shag, Chloe!" Competition for the chequered flag is bound to be stiff when it's attached to her skin-tight trousers!

Piddle me this

One night last month my husband Harry and I went looking for a quiet back street to fuck in. After a while I told him I was desperate for a pee.

He pulled up and I jumped out and pissed right there by the road. It felt like I was pissing a firkin as it splashed on the pavement and ran down my legs.

RACHEL, KENT

turned on and so was Paul. He had his big hard cock in his hand and he was wanking it furiously.

I bent over with my wet piss-covered arse in the air and closed my mouth over his bell-end. I swirled my tongue round his helmet and shaft.

As I sucked him off Paul whispered to me that the bloke who'd passed in the car was now standing watching and wanking. Paul beckoned him over to the window for a closer look.

I looked up to see the stranger standing just outside the door wanking his cock.

Paul then shot his hot creamy spunk on my tongue and over my face.

Seconds later the stranger followed, streaking the car window with thick spunk. He then thanked us for a fucking good show and went.

Rachel, Kent.

While I was peeing a car drove past very slowly. The driver stared pervily at me as I crouched on the tarmac and pissed.

I finished and got back into the car. I was very

Tease me

This summer, after a bloody hard day at work, I arrived home and was surprised to smell dinner. Chuffed and starving, I kicked off my shoes and headed into the kitchen.

To my astonishment my wife Emma was standing there cooking in stockings, red heels and a pinstripe playsuit. Well, my cock nearly burst through my jeans.

"Hi," she said, with a dirty grin. "Just thought I'd treat my hubby, is that okay?"

"Damn right it is," I said, making a lunge at her to get my hands on the goods.

"No! Wait till after dinner" she said.

But I popped the buttons on her underwear, revealing her smooth, waxed slit. With one hand on her arse and

I lifted her legs and spread them. Holding the heels, I started sliding my cock up and down her soaking wet pussy and when I found her hole I buried it as deep as I could.

I rocked her back

the other over my shoulder, which moved her more into a sideways position.

I started pounding her again and she grabbed her vibrator and started working her clit till she came hard.

I pulled my cock out and with a grin, rubbed it up and down her arsehole. When I was up to my balls in her juicy back end, we started to grind

out "Fuck it, fuck it. Fuck that dirty little hole and fill it with spunk. Fuck it hard."

She started cumming like mad, her hole gripped my cock and I could feel I was going to cum to.

We both fucked and moaned until I came hard in her arse, pumping out what felt like a pint of spunk. She ground back and forth making

holding my cock with the other, I started slipping it back and forth along her wet slit.

Because of her huge heels I had the angle to just nudge her juicy hole.

Sliding back and forth another couple of times, rubbing her juice along her slit, I was ready to slip it in when she pulled away, and said "Dinner's ready!" Fucking hell, what a tease my wife is!

I consumed dinner in seconds and Emma knew I couldn't handle much more teasing, so she took my hand and led me upstairs. I'm

sure my tongue was hanging out as she went up in front, I watched her long legs and gorgeous arse lead the way.

She lay on the bed, unbuttoned her undies and pulled her vibrating dildo out from under the pillow. Opening her long stockinged

and forth on my cock using her heels before leaning forward, putting her legs over my shoulders and pounded her wet pussy hard, my balls slapping her wet arsehole with every stroke. I didn't

even let her catch her breath.

She yelped with every pound, so I reached up and held her by the ankles and gave her a couple of slow strokes before letting one of her legs drop and leaving

slowly, Emma starting on her clit again with the vibrator, till I could start stroking my cock in and out of her now totally fuckable arsehole.

I was now giving her my whole length and Emma cried

sure she had drained every last drop.

We both then collapsed in a heap exhausted. It truly was a hard day in every sense of the word.

Would it be possible for you to publish more pictures of Paige Turnah please? I see her in *Escort* but it's not enough. All I can do is buy your mag every month and hope she's in there.

New leaf for Paige

Julia says: Sorry to break it to you, Jason, but Paige Turnah has retired (albeit with a bang, not a gold clock!). She did a shoot for us just before she hung up her butt-plugs – expect to see it soon.

Dear Julia

Seeing Sophie and Xena (vol 33 no 6), inspired my ever-horny wife Jo to give me

DEAR JULIA

my latest sexual treat. Along with her equally slutty sister, Karen, they acted out every scene in front of me, while I sat naked, wanking. Then, with their legs pulled over their heads, baring all, my wife shouted: 'Now you can fuck us both!' I got down and eagerly tongued out their pussies and arsehole, before giving each one a good hard fucking with my rock hard cock. After filling them with several loads of spunk. I wanked a last wad all over their sweaty, quivering bodies. Just the start of a great all-nighter.
Swinger Steve, Halifax.

Copy cunts

Julia says: Wow! The only thing my sister's ever done for me is pull my pigtails and forget my birthday.

Dear Julia

Vol 33 no 7 was another top-notch issue, but I have to say the highlight for me was Kat (p. 79). This is why *Escort* is the best magazine in the world: real women, looking absolutely stunning! I have a bit of a thing for gorgeous women in animal print, so her pictures really did it for me.

TRUE BLUE

Interview by Rose Corcoran

Who'd like to give tasty tartlet Tiffany Naylor one in the ring? Here's the lowdown on how to have hot phone sex with strangers

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

My début phone sex call didn't go well. Before switching the phone on, I had a few drinks for Dutch courage – well, I was shaking with nerves! That may have affected my performance. The conversation went something like this:

Him: "I'm horny."

Me: "Oh, you're horny?"

Him: "Yeah, I'm really fucking horny."

Me: "Oh, you're really fucking horny?"

He hung up. It lasted no more than a minute. Being a parrot and repeating everything he said wasn't the way to turn him on. Back to the drawing board then!

Over two years later into my phone sex career, I can hand on heart say that I'm much, *much* sexier. For one thing, the calls last a lot longer. I'm also better prepared – there's very little that will faze me these days. If someone called two years ago telling me he was dressed up as a woman and wanted me to fuck his arse with a strap-on, I would have been like "Oh my God!" Now I relish the challenge of talking out that scenario with him.

Although I've received no training, I've worked out that there are things that can make a call much hotter. For example, lowering the pitch of your voice, making suggestions and not beating around the bush. Be brazen! I'm not afraid to say: "Put your hand on your cock – right now!" in a dominant voice and often he'll do as I tell him before explaining what more they want.

There are some topics that are more popular than others. Usually a call will be a guy wanking down the phone, not talking, but want me telling him what to do. Or they'll want me to explain how they should fuck me. Surprisingly, a lot of men want to be verbally abused over the phone. They'll ask me to call them names or tell them off for wanking their dick.

Anal play is a really Marmite subject, but still pretty popular. It's not something I do in my personal life, but on the phone I enjoy telling them to ram their cocks right up there. It's when I turn the table that it goes one of two ways: they'll either hang up, or love it and want more!

I enjoy the straightforward sex scenes because I get to say "cock", "pussy" and

Naylor? Not half

"Sometimes I wrap my hand round my boyfriend's cock when I'm taking a filthy phone call"

"Hello, hello... I can't believe I'm still on bloody hold..."

"spunk" lots.

There's no doubt that these words are hot and get me aroused. Especially if you really draw them out and make them linger on your lips and the tip of your tongue. They're just so rude!

I can really get off on the calls too. A nice voice hits the spot for me, especially a Manc accent. I also love it if my boyfriend is here while I'm on the phone. I'll ask the caller if he's stroking his cock and at the same time I'll have my hand wrapped around my boyfriend's dick. It's a bit like a threesome over the phone. I don't always tell the caller that he's there – some of them like the idea and others don't.

One of the sexiest calls I've ever taken was a threesome scenario. I described in detail what me and a female friend would do to him: how we'd slowly strip him, run our hands all over him and start feeding his cock into her mouth, making her suck him off.

He blew his beans and hung up when I said, "and then I'm going to wank your cock into her arse..."! It wasn't a terribly long call, but it was very horny!

Being on the phone for up to six hours a day means I'm not turned on *all* the time. Props are handy, like a vibrator. I'll turn it on so he can hear it and say, "Oh,

I've just pulled this out of me and I'm rubbing it against the phone."

If I really didn't want to play with myself at the time – which isn't often – but they wanted to hear how wet I am, I'll dip my finger in a yoghurt and move it around. "Ooh, can you hear that? I'm really wet." I've stopped doing it so much now though, because it got really messy.

I love working the phone lines because it's never boring. I enjoy the diverse range of subjects that people want to talk to me about on the phone and I've learnt so much about sex, fetishes and people. I love it, so why not call me?

REAL WIFE SEX

Lorna, 21,
Liverpool

Student Lorna is a student of shagging. And she'll kindly grant any fellow undergraduate the night of his life...

STRANGER, THEN

Since I saw my first one five years ago, I've had 30 cocks.. That works out at about six cocks a year – not bad seeing as I stuck with one bloke for two and a half years. I couldn't begin to guess the total number of shags I've had. It must be hundreds! So you could call me a ladette (very nineties), a liberated young feminist, or a dirty slapper! I hardly know myself!

It would be impossible to pick out one particular fuck that was better than the others. But you want to know about my sex life, so I'll tell you about a good one I had recently.

Being a student I get plenty of opportunity to cop a minge full. One of my favourite pulling places is the Students' Union bar. The drinks are cheap, there are no leering old gits allowed in and so the place is always

I lowered my well-juiced cunt on to his fingers

packed to the rafters with fit young blokes.

Anyway, I'll cut to the chase. I was out with my mate Amy – also a spunk dustbin. We'd been drinking for quite a while and this had its usual effect on me. I was as randy as a tomcat with three bollocks! Amy and I picked our likely targets and split up with the usual cry of "See ya tomorrow!"

The bloke I went for was drinking with a couple of mates. He was averagely good-looking (I'm not too fussy) quite short, slim and dark.

The reason I picked him out was because he was eyeing up all the girls and looked like a right dirty bugger. I had to find out, didn't I?

I soon separated him from his mates and after a few choice words we were snogging on a sofa in the corner. His hands were all over me after just a couple of minutes. I only had the tiniest of skirts

by the look on his face his balls were about to explode if I didn't let him fuck me soon.

I rose from his lap and, pulling down my skirt to

on, it was more like a belt. He inched his hand up the inside of my thigh.

I opened my thighs slightly as his fingers crept towards the warmth of my pussy. He moaned with satisfaction to find firstly that I had no underwear on and secondly that my pussy lips were nicely moist and ready for action.

He slid two fingers straight up my cunt and began to work them in and out roughly. I was biting his neck by now to stifle my moans as he fingered me just a few feet from the nearest table. I was well pleased – I'd hooked into a real dirty dog and I knew I was going to get a proper fucking.

I clambered across this bloke and straddled him. I could feel his rock solid cock trying to bust out of his jeans as I snogged him. He positioned three fingers underneath me where his cock would be if it wasn't held in. I lowered my well juiced cunt on to his fingers right down to the knuckle.

I began to ride his fingers like a cock and he forced his hand upwards to meet my movements. His fingers pounded in and out of my pussy and I rode away, head thrown back and eyes closed. Anyone looking probably got a great view of my arse and would have been left in no doubt as to what was going on. It must have been like a hard-core live show.

I came, my cunt tightening around his fingers and juices flooding down his wrist. My cunt was ready for a cock, and

cover my arse and pussy, took him by the hand. I led him across the dance floor, past the bar and upstairs to the toilets. There was a bit of a queue in the ladies' and I hesitated, but he bundled me into the blokes' and into the nearest cubicle.

Pressing me up against the door, he locked it with one hand and yanked my skirt up with the other. He

whipped my skimpy top off, leaving me virtually naked in the cubicle.

He began kissing me and his hand moved down to my aching cunt. He rubbed my swollen lips and delved inside me with a couple of fingers. Then he pulled his fingers out of my snatch and

He worked the remainder of his cock up my butt

Thrill seeker

The thrill of having sex outdoors excites me so much I think I'm obsessed.

The buzz of being seen is what turns me on so every chance I get, I pull down my man's pants and beg him to fuck me. And he is always willing to satisfy my needs.

Most recently there occurred one of my more daring experiences. We were out walking along the river and I pulled my knickers

maybe next time we will get caught. I can't wait for it!

Here's another sexy experience that happened to me.

My new kitchen was being installed and I was ecstatic. I had been waiting months to get started.

When I

me. Turning to close the bathroom door there he was, looking all sweaty and fit as fuck.

I felt my pussy go all warm and moist at the thought of him bending me over the sink and sticking his rod in me from behind.

As he pushed me against the wall I grabbed his groin to feel his massive hard bulge.

And as I slid my hands inside his jeans

SHARON,
BERKS

I WANTED HIM TO BEND ME OVER THE SINK AND HAVE ME

I knew by then was Colin.

As he worked I saw him building up a sweat before pulling his T-shirt off to reveal his perfectly toned, ripped, muscular body.

As he was turning he caught me running my eyes all over him.

I left the kitchen and went upstairs and to my delight I heard footsteps not very far behind

down and asked him to fuck me right there and then. He did and as I came all over his throbbing cock I heard voices in the distance.

I managed to pull my knickers up before two blokes walked past and smiled at us.

The thought of them catching us was a thrill and

opened the door to the kitchen fitters and a fit-looking bloke and his mate were standing there, I felt myself blush slightly.

As I made them coffee, they both got to work and we made polite conversation. I couldn't keep my eyes off this fit bloke's body, who's named

to feel his full length, he took hold of my legs lifting me up before sliding his big throbbing cock inside my soaking wet pussy. I let out a low, guttural moan.

Pulling my hair, he started pumping me hard and fast while I nibbled on his ear and neck. This really turned both of us on and I could feel the very beginnings of my orgasm start to rise deep inside me.

I felt his hand brush against my arse before he stuck his finger in my tight hole

This sent me over the edge to orgasm and I came all over his cock, squeezing on him as my juices ran down his cock.

Knowing that I had climaxed messily, he smiled and pushed his cock in me slightly harder and poked his finger in my arse slightly further.

With that, he groaned and spunked his hot load right up me. I felt him throbbing as he emptied himself inside me.

As I pulled up my knickers he leaned towards me, kissing me on the cheek and said it was the hottest fuck he had ever had.

It certainly was for me as well, although there was a lot left to be desired with the kitchen!

Sharon, Berks.

LEIGH

Is living next door to a porn star like living in a bad joke? "Hey, mate, how did your date go last night?" "Ah, only got to first base." "Well, at least you got your arsehole licked!" Or is it actually the best fun ever? "You'd have to ask my neighbours!" laughs self-styled ultimate MILF Leigh from Manchester. "They're just as dirty as me, you know. Sometimes it's like a competition to see who can rut the loudest through the bedroom walls. I win of course!"

SEX WITH ALL THE STRINGS

Daisy Blade turns Girl Guide as she handles some ging-gang-goolies in a tent. Saucy pitch.

Last weekend I became a member of the Very Happy Camper Club. I suppose it's like the mile high club, but in a tent.

With all my youthful camping trips, it's shocking I'm not already a Happy Camper. But now, aged 26, I can say I have experienced a well pitched tent pole and can tick that sex box.

It's surprising how much prep needs to be done before copping off in a tent. I'm sure there are couples that throw caution to the wind and simply get on with it. Spontaneity I think they call it? When it comes to Happy Camping sex, we were not going to be that couple.

I'd heard the horror stories from friends: having to stop mid-cortus because it was too hot, or feeling cold all night because they were sleeping in spunk spots, not to mention shameful shadow shows. There was no way I was going through the effort of setting up a tent just to have shit sex.

Luckily, there's a whole book

dedicated to tent sex to help avoid such pitfalls. It's (aptly) called *Sex In A Tent*. Extra baby wipes and condoms were packed, tent-friendly sex positions memorised and we even splashed out on a couple of blindfolds: great

for adding a touch of kink, but also to keep the sun out in the morning.

Borrowing a family-sized tent from a friend, we headed to greener pastures and when pitching up we found somewhere with only a few other campers nearby.

After a "romantic" dinner of packet noodles, we turned in for the night, zipping the door behind us. There was a sense of regression. I felt like a naughty Girl Guide and he a cheeky Boy Scout as we fumbled around in the tent. Giggling ensued as we attempted to wiggle out of our clothes but then it was down to business.

Innocence turned into animalistic urges. Only a very thin wall stands

between you and other people walking past. It's as close to sex in public as you can get without being arrested. Truly a thrilling thought.

What delighted me was discovering that fucking in every room of a tent is much easier than in a house. There's no worry about mess, or stairs for that matter. We fucked missionary in the bedroom, before rolling into the communal central compartment where there was a bit more height, so he took me doggy-style. Pausing for breath and opening one of the zipper windows (it gets so hot in those tents!) we kissed and he sucked my tits while I wanked him off. I could have got carried away and had him cum in my hand, but there were still two rooms to go...

In the second bedroom I was licked from slit to clit: I couldn't help a moan escaping. It was going to be obvious to those nearby what we were up to, but I'd waited 26 years to earn this badge!

By the time we got to the last room the sun had gone down. I

Really in-tents sex

switched on one of the mini camping lights we'd brought so I could watch every inch of his cock disappear into my pussy. Lowering myself down we both knew that once I got going

and started fucking his dick, that would be it. It didn't take long. With one last thrust down on his length I climaxed. My pussy gripped him so tight that it triggered him to shoot his load into me too.

It was only after I rolled off him I spotted shadows on our wall. There were people outside our tent. Shit! The light! I forgot the rule from *Sex In A Tent* that said to hang the light high to avoid silhouettes. Seems we'd fallen into the trap too.

Later, while out on a midnight stroll, the neighbours appeared to repay the favour, much to our delight. I reckon it was the happiest camp site in Britain that evening.

Good lay-By

My hubby and I had a weekend away recently, having plenty of sex in all sorts of places.

and from the bulge in his trousers he had enjoyed what he had seen.

His name was Frank and when I told him I would love to suck his cock he invited me, and hubby Brian into his cab.

There wasn't a lot of room in the cab, but we managed. As he was a long distance lorry driver there was a bed in there.

I sat down and unzipped his pants and pulled his big cock out. I began to suck him off; while

I was doing this Brian had spread my legs and had his fingers deep inside me.

I was getting very wet and needed fucking. Frank lay down on his bed and I got on top of him.

His cock slid deep inside me, my juices dribbling down to his balls

Brian put his cock in my mouth and I sucked on him hard. I then demanded a cock in my arse as well, so Brian came up behind me and gently eased his cock up my sexy bum hole.

As soon as his cock went inside me I came long and

I WAS GETTING VERY WET AND NEEDED FUCKING

hard. I screamed loudly and my juices flowed wetting Frank through.

We carried on fucking until both of them shot their load inside me, and when this

fist fuck me. Frank got there first and eased his fingers into me gently, pushing them deeper into me until he had managed to get his whole fist up there

While he gently fist fucked me, Brian twiddled my clit and we carried on like this until I came again.

My juices splashed out of me wetting his bed but I was loving it and didn't care.

We swapped phone numbers and when he's next in our neck of the woods, he said he'll ring and we can

happened I came again.

I still wasn't satisfied and asked if one of them would

pick up where we left off. I can't wait.

on the beach, in the woods, in the pub car park, a real good sexy weekend all round!

On the way home I was still feeling horny so I asked my hubby to pull over at the next lay-by. I took my knickers off and told him to come round my side of the car and lick my pussy.

I opened the car door and sat sideways on the seat. He knelt down in front of me and sucked away. I came quite quickly and screamed loudly. When I opened my eyes there was another driver standing there - we hadn't noticed a lorry pull up behind us.

The driver had been standing there watching us

REAL WIFE SEX

sucked the moisture off, savouring my sweet juices.

He swivelled me round and told me to bend over. Keen to oblige, I knelt on the toilet seat with my

hands on the cistern and my butt in my air. My pussy and arse were perfectly exposed and open to abuse.

Wasting no time, he knelt down behind me and buried his face into my sticky pussy. He used his two hands to spread my pussy lips and he went to work with his tongue. I moaned with pleasure, my cheek pressed against the cold enamel cistern.

He lapped at my lips with his tongue and he reached underneath me to tease my clit with his finger. I came to

a shuddering climax, my juice leaking out and dribbling down my chin.

Then he used his two hands again to spread my arse cheeks wide. He burrowed his tongue into my tight little arsehole, probing and darting around my sensitive hole.

Then he stood up, and I knew he was going to fuck my arse. I felt him rub his fingers in my cunt to get a good covering of goo. Then he smeared that around my arse, working it in and thoroughly lubricating my back passage.

I relaxed myself totally as he nudged his cock against my puckered ring. I closed my eyes and passively waited to enjoy being arse fucked. He applied a little pressure and the first inch of his cock slid easily into my arse.

Slowly he worked the remainder of his shaft into my butt until his balls prickling against my cunt lips.

I sighed with bliss as I enjoyed the feeling of an arseful of cock, mingling with the after shocks from the

tremendous orgasm I'd just had.

Then he really began to fuck my arse. Slowly at first, and then with increased speed, he plunged his cock deep into my arse and out again. Then he settled into a nice quick rhythm, pumping my arse like mad with one foot up on the bog seat. He had one hand against the wall and the other on my neck.

After a minute or two of total arse fucking, he blew his load right up my backside. I squirmed as I felt the hot sticky sperm fill my arse and start trickling down to my cunt.

I never even found out that bloke's name. After we'd fucked we just kissed and said goodbye. That's the way I like it! ☺

ANNA MARIA

Doing the washing up can be so soul-destroying after a Sunday roast that sometimes we prefer just to smear ourselves in mild green Fairy liquid and leave the baking trays till Wednesday – oh, beg your pardon, that's just Anna Maria here, a sexy if slovenly sort from Darlington whose slutty moods take her, well, anywhere. Hard worker

One night when we were having a good session my wife Lara started telling me what she'd like to do to my workmate Karen.

The horny bitch had me cumming in seconds and from then on whenever we bonked we'd always discuss Karen and we'd both get a good cum out of it.

Well a couple of months later came the office Christmas party and we sloped off to have a bit of fun.

We tried the storeroom first but some randy pair had beaten us to it so we ended up in an office. We shut the door and the fun began.

I pulled her down to the floor and screwed her there. We were both so carried away that

lovely hairy pussy hiding behind them.

She started to rub herself and asked if we liked her little show. Lara said we'd like it even more if she played with her pussy properly.

So Karen pulled her knickers to one side and started to run her fingers through her hairy mound. I got up and went over to her.

I put my hand down to her pussy and started to kiss her. She told me to lock the door so no one would walk in on us.

As I did that Lara went over to her. Karen took Lara's arm and placed it on her pussy. Lara began kissing her and rubbed her clit.

Lara sat Karen on the desk and knelt between her legs, probing at her wet pussy with her tongue. You can imagine how turned on I was by now!

until Lara suddenly screamed for me to stop. I turned around and saw Karen standing there with a huge grin on her face.

She told us it was the first decent bit of action she'd seen in ages. Lara asked if it was turning her on to watch us, and she said it was.

I was stunned by what Lara said to her next. "Why don't you show us how horny you feel?" she said.

With that Karen lifted up her skirt to reveal stocking-clad legs, a pair of sexy black knickers and a

on the passenger seat and started to suck my cock, sticking her arse and pussy up to the window, giving the driver a good look. He must have liked what he saw as he honked his horn.

This got her even hornier as she gushed her cum all over my probing fingers. I

asked her if she wanted to fuck him and she let out a moan as she swallowed my cock right down to my balls.

We pulled into a lay-by and the trucker followed. She carried on sucking me off as the driver approached.

He opened the door crouched down and stuck his face into her pussy, licking and sucking her big pussy lips, as she gushed all over him.

We then took her up the

side of the lorry and fucked her at both ends, swapping over till we were ready to spunk, all over her face and tits. She ate it all up.

She says her next fantasy is to suck and

Linda was getting horny looking at all the ladies in your mag and told me she wanted to go out in the car for some outdoor fun.

The dual carriageway was fairly quiet so she told me to get my cock out and wanked me off as we drove, telling me how horny she was.

We noticed a lorry up ahead of us and she told me she was going to flash at the driver.

She got on her knees

My cock was standing to attention and I had to get in on the act. I pulled Karen back on the desk so she was lying down.

I lowered my truncheon into her mouth. On seeing this Lara licked more vigorously

and Karen came again. I took my cock out of Karen's mouth and positioned myself behind Lara.

I plunged my cock deep inside her doggy-style. I'd never felt her pussy so wet and it was only seconds before she was cumming.

The room buzzed with sexual excitement and after a

few minutes I came hard into Lara's juicy pussy.

I pulled my cock out and offered it to Karen. She licked and sucked Lara's juices off it greedily.

We then sorted out our clothes, and returned to the party like nothing had happened.

First Meat

About a month ago I went out on the town with my mates. I hadn't had a decent

screw since Easter so my pussy was desperate for a pumping.

We started at a couple of popular bars. I was a bit disappointed with the standard of blokes.

The club was packed and we were already pissed so we went straight to the dance floor. I noticed a bloke dancing near me.

You couldn't say he was good-looking, but what I did notice was that he had a definite bulge in his pants.

Without further ado we were snogging and I surprised myself by asking him to come back to my flat.

the thick shaft and took the shiny helmet into my mouth. I sucked up and down his monstrous length.

He moaned with pleasure as I attempted to deep-throat

him. I'm usually good at that, but his cock was so big and fat that I couldn't even get halfway.

I hitched my skirt up and at the same time he pulled my sodden pants down.

My gash was juicy as a watermelon, which definitely helped as he nudged his monster helmet against my

I FELT INCREDIBLY FULL OF HOT HARD COCK

I bundled him into the front room and we crashed onto the sofa. Then I made him stand up while I pulled his jeans off.

As I forced them down over his thighs I could see the

tender, swollen lips.

At first it hurt as his bell-end popped inside me. Then, as he slowly worked his pole in the pain gave way to the

most amazing pleasure.

After about a minute of slow penetration he was up to his nuts in my quim. I felt incredibly full of hot hard cock.

He slowly

pulled out again and began to pump his mega-dick in and out of my slippery pussy. He didn't last long, but it was long enough for me to cum.

When he did pull out and shoot, he came like a waterfall. I've never seen so much spunk!

outline of a great big todger. I yanked his jeans off and I trembled in anticipation as I was about to pull his boxers down.

I wasn't disappointed. As his boxers came down the most enormous schlong sprung up and whacked me on the chin.

Well what else could I do? I took a firm hold of
